Sines, et al, Plaintiffs vs.

Kessler, et al, Defendants

Civil Action 3:17-cv-00072

JUL 01 2022

JULIA C. DUDLEY, CLERK
BY: DEPUTY CLERK

Defendant's Appeal of Magistrate's
Order at ECF 1598

Defendant Christopher Cantwell hereby
appeals the Magistrate's order at ECF
1598, in support he states as follows,

- 1.) On June 9th, 2022, USP Marion
Staff gave 'Cantwell' the order at
issue dated 5-13-2022.
- 2.) The envelope was postmarked 21
May 2022.
- 3.) The envelope was stamped "Mail to be
opened in presence of inmate" but,
per usual, it was opened outside
Cantwell's presence.
- 4.) It is Cantwell's understanding that he
has two weeks to appeal such an order.
- 5.) If the Court waits a week to mail something,
the postal service takes a week to deliver
it, and then the Communications Management
Unit defies the Court and refuses to
give it to ~~to~~ Cantwell in a timely
fashion, this is impossible.
- 6.) The above is typical of Cantwell's

Well documented complaints about the corrupt interference in this litigation by the United States Government, but by no means is it the most extreme example.

- 7.) That award goes to the CMU's refusal to grant Cantwell meaningful access to hundreds of pages of documents including the complaint, and their collaboration off the record with Plaintiffs' counsel to keep other documents from him.
- 8.) For these and other reasons well documented throughout the record, the Magistrate order at ECF 1598 should be overturned, Cantwell's extension should be granted until this corrupt interference is put to a stop, and the United States should be made to answer for its corrupt interference in this litigation,

Respectfully Submitted,
Christopher Cantwell
